

## CHAPTER 157

### NUMBERING OF BUILDINGS

157.01 Numbering  
157.02 Size  
157.03 Color  
157.04 Responsibility  
157.05 Number Issuance

157.06 Numbering Method  
157.07 Beginning Point  
157.08 Splitting Numbers  
157.09 Addresses

**157.01 NUMBERING.** All buildings shall have the address numbers conspicuously displayed on that part of the building or on a permanent sign or monument facing the street of the numbered address.

**157.02 SIZE.** All address numbers shall be visible and legible from the street. All address numbers shall be not less than 3 inches in height and each numerical digit shall be a minimum of one-half (1/2) in width.

**157.03 COLOR.** The color of the numbers shall visually contrast with the color of the building so as to be clearly visible from the street.

**157.04 RESPONSIBILITY.** The owner of every building is responsible for ensuring compliance with this Chapter.

**157.05 NUMBER ISSUANCE.** The Cascade Zoning Administrator is responsible for assigning building numbers in the City of Cascade.

**157.06 NUMBERING METHOD.** Traveling from the beginning point, the center of town, even numbered building numbers shall be on the right hand side of the street and odd numbered building numbers shall be on the left hand side of the street. Building numbers shall advance sequentially in 4 number increments beginning with 100. Each successive block shall advance by 100 number increments. In general each 60 feet of frontage shall constitute a building number.

**157.07 BEGINNING POINT.** The North Fork Maquoketa River Bridge on 1<sup>st</sup> Avenue is the center of town and the beginning point of the building number system. The North Folk Maquoketa River is the East/West dividing line and 1<sup>st</sup> Avenue is the North/South dividing line in the City of Cascade.

**157.08 SPLITTING NUMBERS.** Where an existing building is subdivided, in an area that has already been assigned building numbers, and each has its own entrance, the newly created address shall be assigned a building number in two number sequential increments.

**157.09 ADDRESSES.** In writing an address, the building number shall be first given, followed by the name of the street, and that followed by the suffix indicating its direction from the beginning point, thus: 210 Harrison S., NW.
